

30 January 2013, Day 1

Background and rationale for prioritising civil registration and vital statistics: understanding the current system and planning for improvements

Session	Time
Registration	08:30–09:00
	09:00–09:30

Welcome

Opening Remarks

Goals and expected outcomes and structure of the workshop

Dr Mohamed Ali

Dr Alan Lopez

09:30–10:00

Why CRVS matters and why civil registration is the most efficient and effective source of vital statistics

Dr Carla AbouZahr

Break 10:00–10:30

Introduction to the CRVS journey: roadmap of strategies, tools and outcome 10:30–11:15

11:15–12:00

Implementation of the Comprehensive Assessment

Example of its application in Egypt

Dr Lene Mikkelsen

Dr Salah Badr/

Dr Abir Shady

12:00–13:00

Legal framework for CRVS (Component A)

Group Discussion

Dr Lene Mikkelsen

Lunch 13:00–14:00

14:00–15:00

Organization and management of CRVS (Component B)

Group Discussion

Dr Carla AbouZahr

Dr Ala Alwan Opening Remarks 15:00–15:30

Break 15:30–15:45

State of CRVS in the EMRO region: results of the Rapid Assessments 15:45–16:15

16:15–17:15

Country experiences and lessons learnt doing the Rapid Assessment Discussion of key challenges in the Region :

Chaired by Alan Lopez

Participants

Dr Nadia Soleman

Cause of death certification practices

17:15–17:45

17:45–18:00

Close

Suggested readings for next day's review:

Components A and B

Dr Alan Lpoez

31 January 2013, Day 2

Assessing mortality and cause of death data; completeness and quality of vital statistics; introduction to verbal autopsy

8:30–9:30

Review of previous day

Plenary Discussion (with questions) on Components A and B

Dr Alan Lopez

Participants

9:30–11:00

Cause of death certification and coding (Components C & D) -

Group Discussion

Dr Lene Mikkelsen

11:00–11:15

Break -

11:15–12:15

Compilation, dissemination and use of vital statistics

(Component E)

Dr Carla AbouZahr

Principles of CRVS data quality assessment

12:15–13:00

Dr Alan Lopez

Steps for preparing countries for the CRVS Comprehensive Assessment

13:00–13:15

Lunch

13:15–14:00

Assessing completeness and quality of vital statistics: direct and indirect methods

14:00–15:00

15:00–15:30

Application of ANACoD data quality assessment tool

Country example: Egypt/Kuwait

Dr Carla AbouZahr/

Dr Mohamed Ali

Dr Salah Badr

Break

15:30–16:00

16:00–17:30

The role of verbal autopsy in CRVS and interim vital statistics systems:

- VA methods and tools -
- Automated techniques for cause of death determination -
- Strategies and potential application of VA in the EMRO region -

in CRVS systems: HDSS and SAVVY

Discussion

Ms Carla AbouZahr

Alan Lopez

Dr Nadia Soleman

Panel of facilitators

Dr Lene Mikkelsen

Close

17:30

Suggested readings for next day's review: Components C, D and E

* Optional sessions on ANCoD and online ICD training tool (time venue TBD)

1 February 2013, Day 3

From assessment to planning; stakeholder involvement and roles and responsibilities of development of partners

8:30–9:30

Review of previous day

Plenary Discussion (with questions) of Components C,D and E

Dr Alan Lopez

Participants

9:30–10:00

CRVS stakeholders at country level: Who are they?

Advocating for their involvement? How can they contribute?

Discussion

Dr Abir Shady

Break

10:00–10:30

Dr Lantieri ~~criteria~~ criteria for prioritisation of improvement plans

10:30–11:00

11:00–13:00

Regional strategies for strengthening cause of death certification and coding

ICD on-line training tool

Dr Alan Lopez

Dr Mohamed Ali

Lunch

13:00–14:00

14:00–15:00

Technical resources to support CRVS development :

Use of the UQ/HMN/WHO CRVS Resource Kit

Dr Abouzahr,

Dr Ala Lopez

Dr Lene Mikkelsen

Dr Salah Badr	IT applications E-health	15:00–15:30
	Break	15:30–16:00
Dr Alan Lopez	General discussion and next steps	16:00–17:00
Dr Mohamed Ali	Wrap up and close	17:00–17:30

Friday 26th of April 2024 06:21:19 PM
