

18 February 2024, Beirut, Lebanon – The Ministry of Public Health (MOPH) and WHO organized the handover yesterday of 6 new Renault Express vehicles to the Ministry’s Epidemiological Surveillance Unit (ESU). WHO Lebanon donated the vehicles to support the ESU team’s work in the field across Lebanon.

The handover event at the Ministry’s premises was attended by Minister of Public Health Dr. Firass Abiad, Head of ESU Dr. Nada Ghosn and WHO Representative in Lebanon Dr. Abdinasir Abubakar.

“These 6 vehicles will make surveillance officers’ work easier and contribute to the MOPH’s focus on enhancing the surveillance system for timely detection and response. MOPH and WHO have a strong partnership and our collaboration is making a difference in improving the overall health system in Lebanon,” said Dr. Abiad.

Beit Dallah, Lebanon, 10 April 2020. WHO donated six Renault cars for epidemiological surveillance in Lebanon. The cars are parked in a garage in Beit Dallah, Lebanon. The cars are equipped with WHO logos on the dashboard.
