2023-2024 Strategic Plan

The 2023-2024 Strategic Plan is a key document that outlines the WHO EMRO's vision, mission, and strategic objectives for the region. It provides a clear framework for the organization's work and serves as a guide for all staff. The plan is based on the WHO's global strategy on human resources for health: workforce 2030, which emphasizes the need for a more equitable and resilient health workforce. The plan also reflects the region's specific needs and challenges, such as the impact of the COVID-19 pandemic and the need for digital health solutions. The plan is a living document that will be updated as the region's needs and challenges evolve.
