

**[Cholera outbreak – WHO and partners urgently require US\\$ 22.35 million to save lives and reduce suffering in Yemen](#)**

17 October 2016 – WHO and health partners urgently require support from the international donor community to contain the spread of acute watery diarrhoea/cholera in Yemen. A total of US\$ 22.35 million is required, of which US\$ 16.6 million is immediately required. More than 7.6 million people are living in the affected areas, and more than 3 million internally displaced persons are especially vulnerable to the outbreak.
