<b>New</b>	86	117	0	-	-	14,966	-	-	-

## HIGHLIGHTS and USEFULL LINKS

### MOH

- The Kingdom moves to the orange level starting 19 July to 22 July 2021
- The National Vaccination Campaign continues across the Kingdom
- WHO Director General Dr Tedros Adhanom Ghebreyesus and WHO Regional Director for the Eastern Mediterranean Dr Ahmed Al Mandhari will be visiting Bahrain after Eid Al Adha holidays to attend the official opening of the WHO office in Bahrain
- > 1 million people in #Bahrain have received 2 doses of the COVID19 vaccine, ensuring that 70% of the population regardless of their citizenship status is now provided with an additional layer of protection for free.
- The National Medical Taskforce for Combatting the Coronavirus (COVID-19) announces the booster dose interval has been reduced to one month after the second dose for high-risk individuals
- Demand for the age group from 12 to 17 years to take the anti-Coronavirus (Covid-19) vaccination in order to preserve their safety and the safety of all
