

**Table 2 Road rage behaviour and experiences of rickshaw drivers by years of having driven a rickshaw, Rawalpindi, Pakistan**

Behavior/experience <sup>a</sup>	Driven a rickshaw for:		P-value
In the past three months while I was driving:			
<i>Someone in another vehicle shouted or cursed at me</i>			
Yes	164	75	<0.001
No	14	50	
<i>I shouted or cursed at someone in another vehicle</i>			
Yes	133	36	<0.001
No	45	89	
<i>Someone in another vehicle made rude gestures at me</i>			
Yes	151	88	0.002
No	27	37	
<i>I made rude gestures at someone in another vehicle</i>			
Yes	112	30	<0.001
No	66	95	
<i>Someone in another vehicle threatened to damage my vehicle</i>			
Yes	34	3	<0.001 <sup>b</sup>
No	144	122	
<i>I threatened to damage someone's vehicle</i>			
Yes	32	3	<0.001 <sup>b</sup>
No	146	122	

<sup>a</sup>Only statistically significant associations are reported.

<sup>b</sup>The Fisher exact test was used because of values < 5 in some categories.

The P-values apply to pair-wise comparison between 2 groups based on years of having driven a rickshaw.
