

**Table 3 Distribution of students' scores from the Attitude Scale towards Internet Usage (ASTIU) and Adolescent Lifestyle Profile (ALP) scales (*n* = 2043)**

| Scale   | Potential range | Minimum | Maximum | Median | Mean (SD)      |
|---|-----------------|---------|---------|--------|----------------|
| <b>ASTIU</b>  |                 |         |         |        |                |
| Usage of the Internet in instruction                | 8-40            | 8       | 40      | 17     | 17.87 (6.03)   |
| Usage of the Internet in research                   | 7-35            | 7       | 35      | 16     | 16.16 (4.65)   |
| Usage of the Internet in social interaction         | 4-20            | 4       | 20      | 10     | 10.44 (4.38)   |
| Enjoyment from usage of the Internet in instruction | 4-20            | 4       | 20      | 10     | 10.54 (3.26)   |
| Usage of the Internet in communication              | 4-20            | 4       | 20      | 9      | 9.26 (3.35)    |
| Usage of the Internet in sharing of knowledge       | 4-20            | 4       | 20      | 8      | 8.32 (3.57)    |
| Total   | 31-155          | 31      | 148     | 72     | 72.58 (17.64)  |
| <b>ALP</b>  |                 |         |         |        |                |
| Health responsibility                               | 5-20            | 5       | 20      | 10     | 10.69 (2.91)   |
| Physical activity                                   | 6-24            | 6       | 24      | 16     | 16.08 (3.76)   |
| Nutrition   | 6-24            | 6       | 24      | 16     | 15.97 (3.23)   |
| Positive life appreciation                          | 8-32            | 8       | 32      | 25     | 24.38 (4.35)   |
| Interpersonal relations                             | 5-20            | 5       | 20      | 16     | 15.54 (2.89)   |
| Stress management                                   | 5-20            | 5       | 20      | 15     | 14.68 (2.70)   |
| Spiritual growth                                    | 5-20            | 5       | 20      | 14     | 13.99 (2.92)   |
| Total   | 40-160          | 40      | 160     | 111    | 111.34 (16.61) |

SD = standard deviation.
