

# **2017–2021 Eastern Mediterranean Regional Health Sector Action Plan for Hepatitis**

## **Online Consultation survey**

1. To what extent do you think that the Regional action plan is useful to its target audience?
2. Are the proposed Strategic Directions relevant to country responses?
3. To what extent would you consider the recommended actions to countries are feasible?
4. To what extent would you consider the programmatic millstones are reasonable and appropriate?
5. Any other feedback
