Gaps: 14.98 Million USD

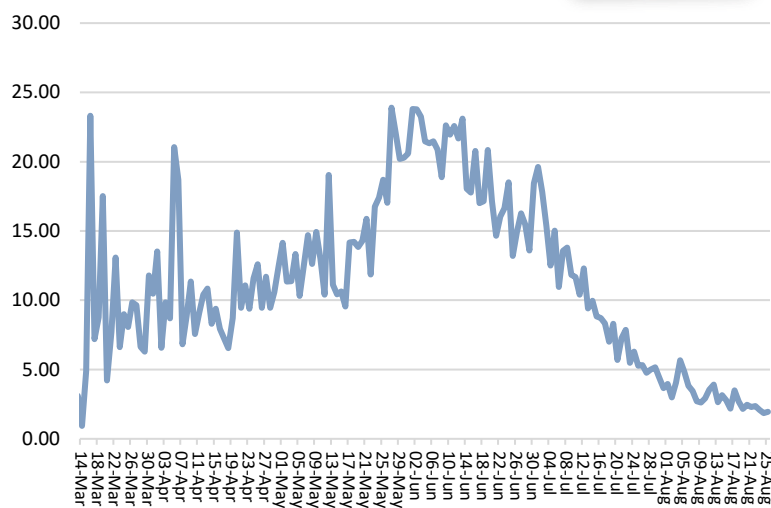

WHO appreciates the contribution of donors (DFID, BMGF, DFATD Canada, JICA, UNOCHA, South Korea, Czech Republic and Germany) to support Government of Pakistan respond to COVID-19 through WHO Pakistan.

Meeting & Coordination

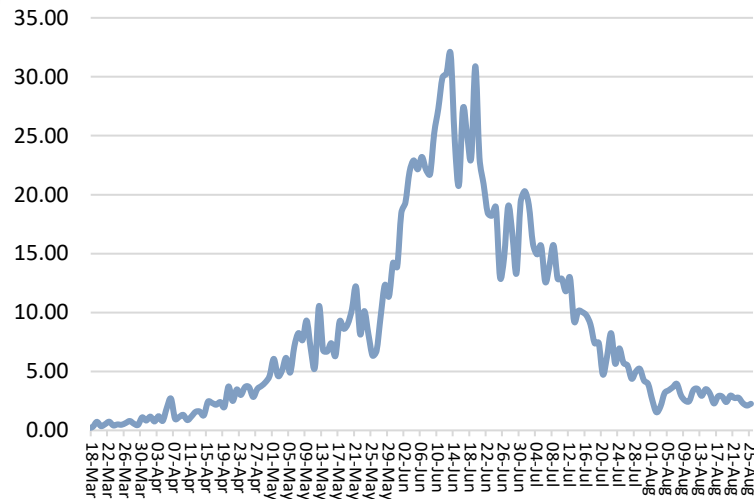

Today 26th August 2020 the Health Services Academy Islamabad presented preliminary findings of the Population-based age-stratified sero-epidemiological investigation of COVID-19 infection in Pakistan. This presentation was made to the WHO team (country office, EMRO and HQ). This study is part WHO unity study in partnership with Aga-Khan University, Health Services Academy Islamabad and the Provincial Health Department. The study was conducted in all Provinces and Territories of Pakistan in late June. The presentation was attended in person by WHO country representative, Pakistan Dr Palitha Mahipala, the Vice Chancellor Health Services Academy Dr. Asad Hafeez and Incident Manager Dr Michael Lukwiya

Maintaining Essential Health Services

WHO country representative, Pakistan Dr Palitha Mahipala attended the closing ceremony of the Global Laboratory Leadership Program (GLLP) phase 2, which has been accomplished under the stern challenges posed by the ongoing COVID19 pandemic. WHO EMRO and HQ laboratory teams also participated along with representatives from the US CDC.

Pakistan is the first country where the full GLLP program is being validated using a phased approach. Phase 2 was implemented using virtual training tools, between June and September 2020, covering three modules on lab quality, research and management. During his closing remarks, Dr Palitha highlighted the role of strong laboratory leaders to build, strengthen and sustain national laboratory systems in the country.

Summary Table (Cumulative/current)

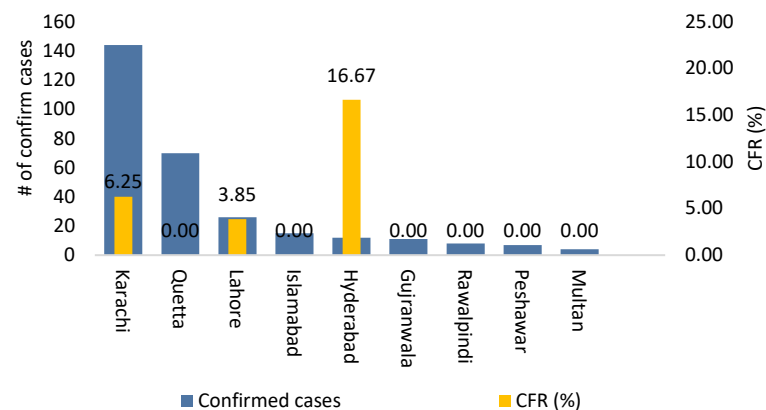

as of 26th August 2020
