The WHO relies, in part, on a network of collaborating centres to supplement its own technical expertise. Current WHO collaborating centres in Egypt are:
WHO Collaborating Centre for Acquired Immunodeficiency Syndrome/US Navy Medical Research Unit No. 3
WHO Collaborating Centre for Emerging and Re-emerging Infectious Diseases/US Navy Medical Research Unit No. 3
WHO Collaborating Centre for Mental Health Research and Training/Ain Shams University Hospitals
WHO Collaborating Centre for Research and Development in Medical Education and Health Services/Suez Canal University
WHO Collaborating Centre for Schistosomiasis Control/Theodor Bilharz Research Institute.
Other key partners include:
Development Partners Group
National Research Institute.
