Stay safe from COVID-19
this holiday season

To party or not to party... that doesn't have to be the question. Gatherings are possible if they are not crowded, don't go on for too long, spaces are well ventilated, masks are worn, and safe distances are kept. **Be sure to follow all COVID-19 safety measures during the holidays and have fun!**

It's party time! Not for you, but for COVID-19!
Don't give the virus what it wants.

- wear a mask
- keep physical distance
- open windows
- get vaccinated
- wash or sanitize hands
- cough or sneeze in a bent elbow or tissue
- avoid closed or crowded spaces

The party is for you, but protection against COVID-19 is for your entire family.
Regret does not cure disease and does not bring back the dead. Make the right choices during the holidays before it is too late. It will only be a happy new year if we all celebrate safely!
