

**MASS GATHERINGS
AND COVID-19**

In the context of the COVID-19, there is no "zero-risk" when it comes to any kind of gathering – especially events that bring large groups of people together.

**MASS GATHERINGS
AND COVID-19**

If you are attending a social or religious gathering event, you are at greater risk of contracting COVID-19. COVID-19 and new emerging variants spread easily and are more contagious than other respiratory viruses.

MASS GATHERINGS AND COVID-19

If you must attend a gathering, adhere to prevention measures, even if you have already been vaccinated:

- stay at least a 1 metre away from others
- wear a mask
- avoid crowded or poorly ventilated areas
- cover coughs and sneezes with bent elbow or tissues
- clean your hands frequently
