

3 March 2024 – Energy was rapidly building up as communications team was hyping up the colleagues at WHO Jordan Country Office, setting the stage for a highly anticipated Communication Essentials workshop. With minds primed and notebooks at the ready, the Country Office technical teams set out on an interactive journey to elevate their communication skills and get a deeper understanding of the communications field work.

As the day of the long-awaited workshop unfolded, it was clear that this wasn't going to be just another training day. It was a workshop to empower and enlighten.
