

4 May 2017 – During the 13th session of the Prevention of Road Incidents World Congress on Road Safety, inaugurated in Tunis yesterday, Wednesday 3 May 2017, H.E. Tunisian Prime Minister Yousef El-Shahed honoured Dr Mahmoud Fikri, WHO Regional Director for the Eastern Mediterranean.

The congress started its working sessions today. The first session handled "post-crash response" and highlighted the crucial role of the health sector both in prevention and control of road traffic injuries, deaths and disabilities.
