

The WHO office in Morocco works closely with numerous partners to implement programmes as efficiently as possible. Its main partners and funding organizations are:

[The Ministry of Health](#)

[The Ministry of Energy, Mining, Water and the Environment](#)

[The Ministry of Agriculture and Fisheries](#)

The Ministry of the Interior

[The Ministry of Education](#)

[The Ministry of Higher Education, Scientific Research and Executive Training](#) (notably the Faculties of Medicine and Research Institutes)

[The Ministry of Solidarity, Women, the Family and Social Development](#)

Nongovernmental organizations and professional associations

United Nations System institutions, programmes and funds

Two WHO [collaborating centres](#) are also located in Morocco. These are:

[The National Drinking Water Office's Bouregreg Centre](#)
[The Ibn Rochd University Psychiatric Centre](#)

Finally, the [Anti Poison and Pharmacovigilance Centre](#) is a major partner of the WHO Office in Morocco.
