WHO EMRO | List Of Identified High Prevalence Districts For Hepatitis B And C

Upper Dir		
Hango		
Lower Dir		
Battagram		
Bannu		
Swat		
Baluchistan		

Loralai
TOTAL
14 DISTRICTS
TOTAL
16 DISTRICTS
TOTAL
30 DISTRICTS
NOTE: Although the list contain 30 districts but 5 districts fall in both Hepatitis B and C groups and since activities to be carried out in these districts are the same therefore we take them as 25 districts where prevention activities would be carried under these funds.
