Regional situation

Basic national documentation has been accepted from 21 countries that have been polio-free for 3 years or more (Bahrain, Djibouti, Egypt, Islamic Republic of Iran, Iraq, Jordan, Kuwait, Lebanon, Libya, Morocco, Oman, occupied Palestinian territory, Qatar, Saudi Arabia, Somalia, Sudan, South Sudan, Syrian Arab Republic, Tunisia, United Arab Emirates and Yemen).

Provisional national documentation has been received from countries that still have wild polio virus circulation (Afghanistan and Pakistan).

Final national documentation for regional certification has been accepted from 17 countries that have been polio-free for 5 years or more and have completed phase I of laboratory containment (Bahrain, Djibouti, Egypt, Islamic Republic of Iran, Iraq, Jordan, Kuwait, Lebanon, Libya, Morocco, Oman, occupied Palestinian territory, Qatar, Saudi Arabia, Syrian Arab Republic, Tunisia and United Arab Emirates).

Regular yearly updates (annual update and abridged annual update) have been submitted on a yearly basis by all countries whose basic national documentation was accepted (annual update), and countries whose final national documentation for regional certification was accepted (abridged annual update).

Eastern Mediterranean Regional Certification Commission

The Eastern Mediterranean Regional Certification Commission was established in 1995. It comprises ten members and is chaired by Dr Yagoub Al Mazrou. Table 1 shows the composition of the Regional Certification Commission.
