- 2018
  - Stop new HIV infections now

- 2017
  - Test for HIV
Dignity above all
Stop HIV stigma and discrimination in health care settings

HIV treatment for all

Treat for life, Prevent for life
Antibiotics with an HIV test: know better, live better

Stigma and discrimination in health care settings

My rights. I respect other people's rights

Universal access and human rights

Men! Take the lead

Lifers! Keep the promise: Stop AIDS.

Together towards HIV prevention, treatment and care for all

AIDS: Stand up for the challenge

Women, girls, HIV and AIDS

It is treatable ... for a better future, act now!

And let live. A human touch heals pain
WHO EMRO | World AIDS Day

2001 - Treasure your family, Keep AIDS away.
