

A young child with dark, curly hair, wearing a light-colored sweater and dark pants, stands against a dark, textured background. The child is holding a large, oval-shaped sign on a black handle. The sign has the words "STOP" and "TB" written on it in white and black respectively. The child's expression is one of hope and determination.

STOP
TB

OMAR MONTASSER

BORN 4 JANUARY 2000,
CAIRO, EGYPT

**"WILL HE REALLY WITNESS THE
ELIMINATION OF TB IN HIS LIFETIME?"**

IT'S UP TO US

Stop TB, Fight Poverty.
World TB Day 2002
