

West Bank Health Access

1 January 2025 – 31 December 2025

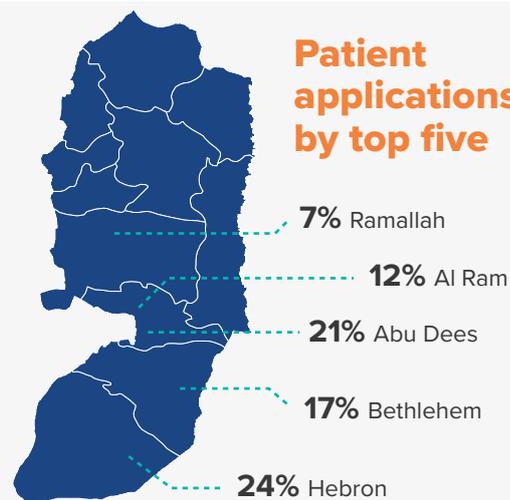

Patient and companion permit applications (Jan 2025- Sep 2025)

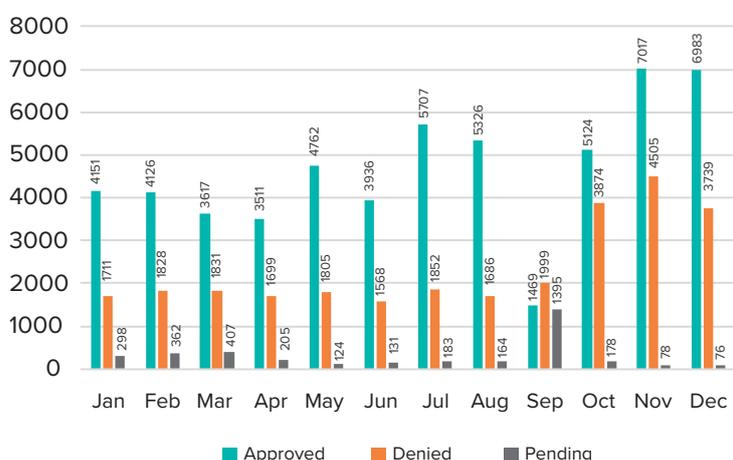

Top five receiving hospitals

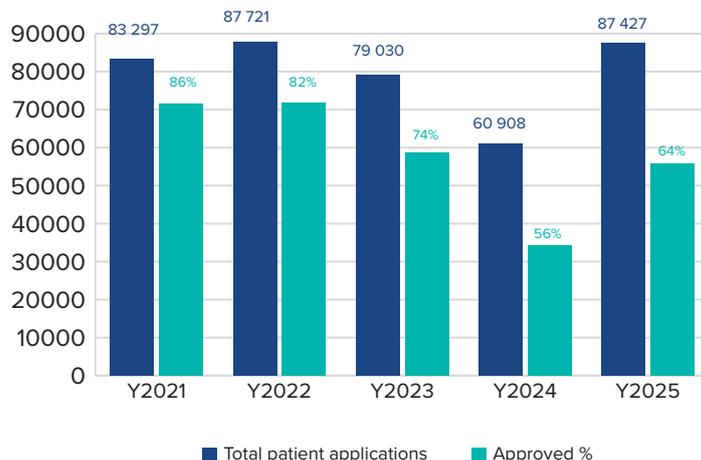

Patient applications by top five

Approval rate for patient permits by month

Average approval rate for patient permits by year

- In 2025, the overall patient approval rate is gradually improving but remains significantly lower than it was before October 2023.
- In addition to the Palestinian General Authority of Civil Affairs (GACA), some hospitals in East Jerusalem are now submitting permit applications directly, though this data is currently unavailable.
