Number of individuals reached via RCCE media messaging.

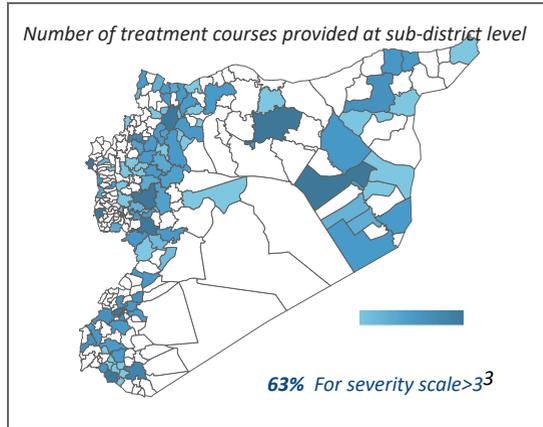

20

Number of community-level RCCE campaigns successfully implemented and completed

44,059

Number of individuals engaged through RCCE outreach activities to promote health awareness and behavior change

Treatment

8,028,804

No. of treatment courses

3,207,273

Beneficiaries reached

PHC

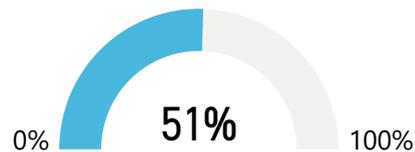

798,954

No. of consultations at PHCs

12

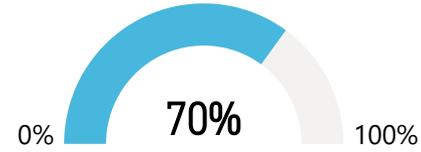

No. of DoH supported with medical equipment

Mental health

% of health facilities that have trained and supervised H/CWs, and delivered integrated MHPSS interventions

Nutrition

% of PHC facilities that provided nutrition services

812,004

Beneficiaries reached with nutrition services

0.38

Nutrition utilization rate

Hearing Screening Program

72

of reporting centers (PHC)

27,499

of children screened under the hearing program

PRM

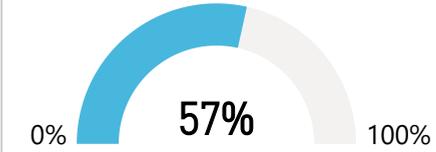

0

Number of people reached with awareness-raising messaging on PRS

0

Number of partners & collaborators trained on PRS

IMCI

% of PHC facilities that provided IMCI services

1,440,659

Beneficiaries reached with IMCI services

0.57

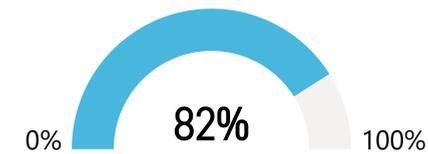

IMCI utilization rate

New born care at home

14,185

of home visits in new borne care at home

Rehabilitation

% of ongoing and completed rehabilitation and restoration of health facilities

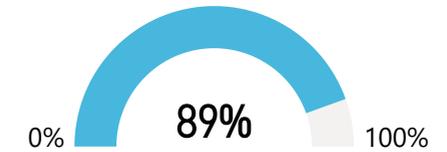

EWARS

1,298

Sentinel sites

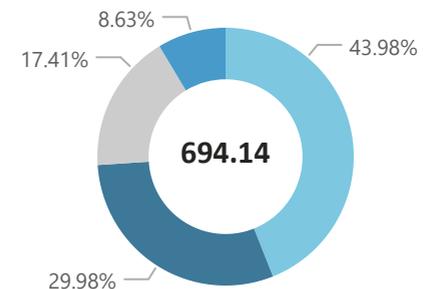

% of alerts investigated and responded to within 72 hours

% of sentinel sites submitting weekly surveillance reports

logistics

Non medical supplies Kits Medicines Equipment
