Number of individuals engaged through RCCE outreach activities to promote health awareness and behavior change

Treatment

Number of treatment courses provided at sub-district level

740,006

No. of treatment courses

296,002

Beneficiaries reached

PHC

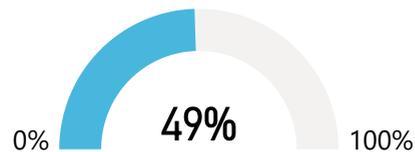

444,049

No. of consultations at PHCs

0

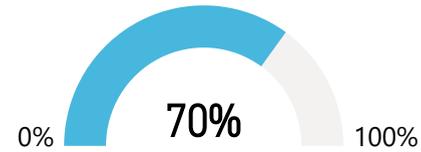

No. of DoH supported with medical equipment

Mental health

% of health facilities that have trained and supervised H/CWs, and delivered integrated MHPSS interventions

Nutrition

% of PHC facilities that provided nutrition services

80,999

Beneficiaries reached with nutrition services

0.28

Nutrition utilization rate

Hearing Screening Program

72

of reporting centers (PHC)

2,355

of children screened under the hearing program

PRM

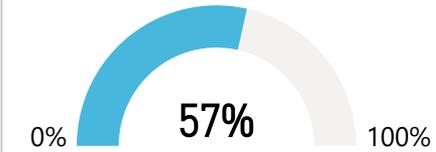

0

Number of people reached with awareness-raising messaging on PRS

0

Number of partners & collaborators trained on PRS

IMCI

% of PHC facilities that provided IMCI services

Beneficiaries reached with IMCI services

142,734

Beneficiaries reached with IMCI services

0.50

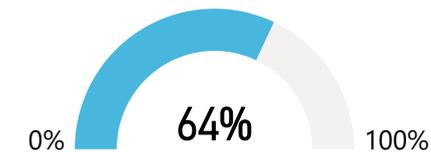

IMCI utilization rate

New born care at home

825

of home visits in new borne care at home

Rehabilitation

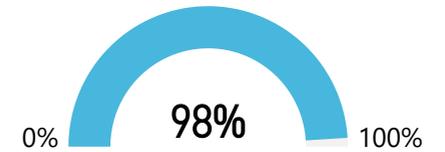

% of ongoing and completed rehabilitation and restoration of health facilities

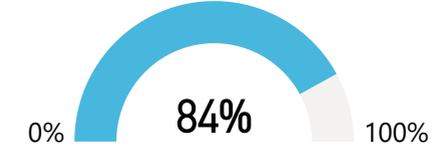

EWARS

1,338

Sentinel sites

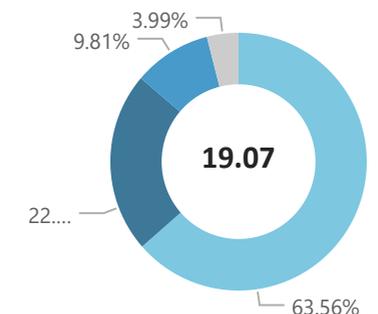

% of alerts investigated and responded to within 72 hours

% of sentinel sites submitting weekly surveillance reports

logistics

Non medical supplies Kits Medicines Equipment
