

## SHC & Trauma <sup>2</sup>

102,530

No. of trauma cases supported

808,684

No. of hospitals consultations

## Coordination

3

No. of national and sub-national health sector coordination meetings led by WHO

## RCCE

0

Number of community health workers trained on RCCE to provide preventive health care, disseminate health information, and support community mobilization

0

Number of individuals reached via RCCE media messaging.

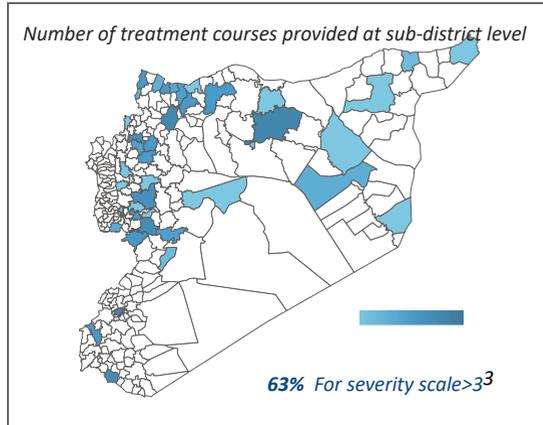

4

Number of community-level RCCE campaigns successfully implemented and completed

1,755

Number of individuals engaged through RCCE outreach activities to promote health awareness and behavior change

## Treatment

679,958

No. of treatment courses

271,983

Beneficiaries reached

## PHC

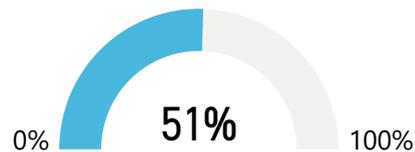

798,954

No. of consultations at PHCs

12

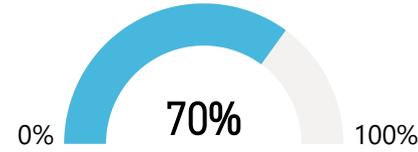

No. of DoH supported with medical equipment

## Mental health

% of health facilities that have trained and supervised H/CWs, and delivered integrated MHPSS interventions

## Nutrition

% of PHC facilities that provided nutrition services

64,214

Beneficiaries reached with nutrition services

0.23

Nutrition utilization rate

## Hearing Screening Program

72

# of reporting centers (PHC)

2,272

# of children screened under the hearing program

## PRM

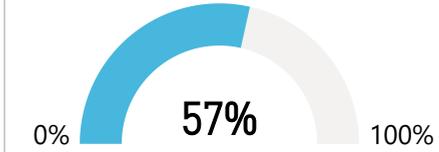

0

Number of people reached with awareness-raising messaging on PRS

0

Number of partners & collaborators trained on PRS

## IMCI

% of PHC facilities that provided IMCI services

117,699

Beneficiaries reached with IMCI services

0.41

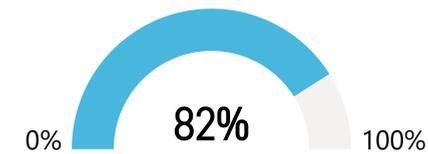

IMCI utilization rate

## New born care at home

1,825

# of home visits in new borne care at home program

## Rehabilitation

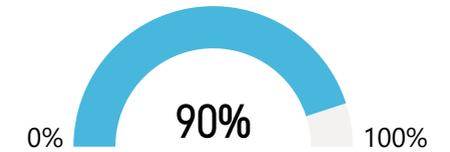

% of ongoing and completed rehabilitation and restoration of health facilities

## EWARS

1,298

Sentinel sites

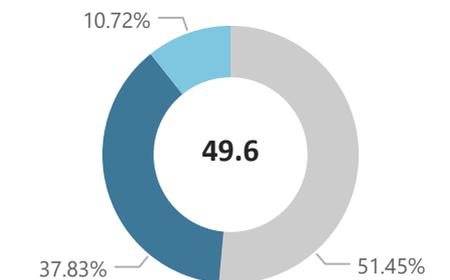

% of alerts investigated and responded to within 72 hours

% of sentinel sites submitting weekly surveillance reports

## logistics

Non medical supplies Kits Medicines Equipment

## HeRAMS\*

19

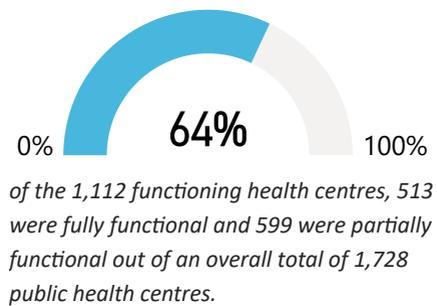

Density of public health workforce per 10,000 Pop

1,531

No. of health workers trained or retrained

 # of functioning public health centres:

1,112

 # of functioning public Hospitals:

101

## National NGOs Coordination

1

No. of WHO implementing partners (national NGOs)

0%

% of IDP camps /settlements covered by WHO implementing partners

42

No. of PHC centres supported by WHO implementing partners

0

No. of rolled out mobile medical clinics / teams

0

No. of static medical points supported

64,619

No. of outpatient consultations provided by WHO implementing partners

0%

% of assistive devices distributed by WHO implementing partners

50%

% of outpatient consultations provided to children under 18

55%

% of outpatient consultations provided to women 15-49

0%

% of outpatient consultations provided to NCD patients

40,306

No. of treatment courses provided by WHO implementing partners

533

No. of mental health services provided by WHO implementing partners

0

No. of women, men, girls and boys reached by GBV awareness or empowerment activities

0

No. of beneficiaries reached with RCCE activities on health education and promotion

0

No. of women, men, girls and boys reached by MHPSS awareness activities including campaigns

0

No. of MHGAP consultations provided by non specialized trained and supervised doctor

8,662

No. of referral cases supported by WHO implementing partners

0.7%

% of deliveries supported by WHO implementing partners per total number of referred cases

176

No. of Trauma cases supported by WHO implementing partners

0

No. of physical rehabilitation sessions supported by WHO implementing partners

## EPI

157

No. of mobile EPI teams deployed

78

No. of outreach teams deployed

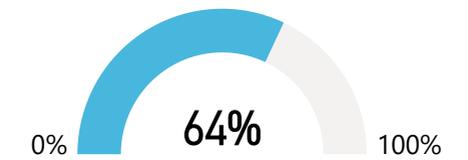

4.60

AFP rate (Polio surveillance)

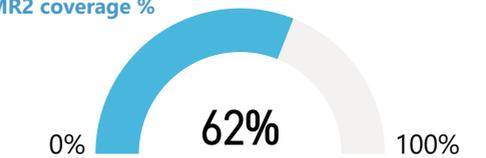

0.94

Adequacy rate (Polio surveillance)

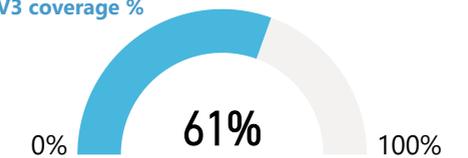

### DPT3 coverage %

### MMR2 coverage %

### OPV3 coverage %
