Number of community-level RCCE campaigns successfully implemented and completed

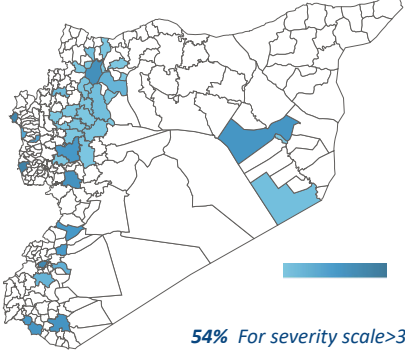

10,531

Number of individuals engaged through RCCE outreach activities to promote health awareness and behavior change

Treatment

Number of treatment courses provided at sub-district level

645,938

No. of treatment courses

258,375

Beneficiaries reached

PHC

444,049

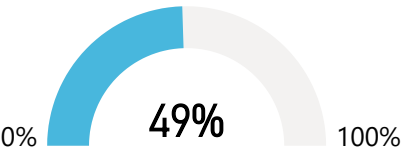

No. of consultations at PHCs

0

No. of DoH supported with medical equipment

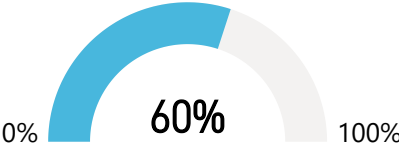

Mental health

% of health facilities that have trained and supervised H/CWs, and delivered integrated MHPSS interventions

Nutrition

% of PHC facilities that provided nutrition services

59,565

Beneficiaries reached with nutrition services

0.21

Nutrition utilization rate

Hearing Screening Program

72

of reporting centers (PHC)

2,244

of children screened under the hearing program

PRM

0

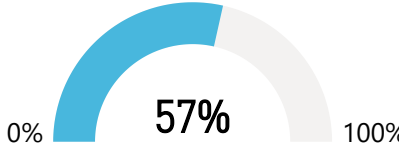

Number of people reached with awareness-raising messaging on PRS

0

Number of partners & collaborators trained on PRS

IMCI

% of PHC facilities that provided IMCI services

Beneficiaries reached with IMCI services

101,399

Beneficiaries reached with IMCI services

0.36

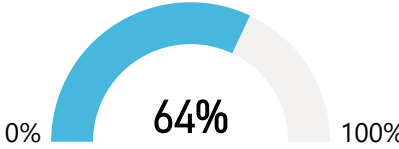

IMCI utilization rate

New born care at home

1,176

of home visits in new borne care at home

Rehabilitation

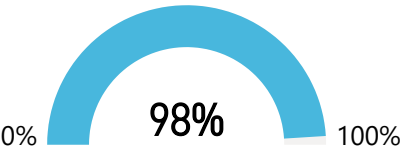

% of ongoing and completed rehabilitation and restoration of health facilities

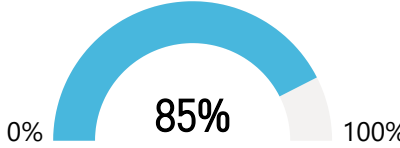

EWARS

1,343

Sentinel sites

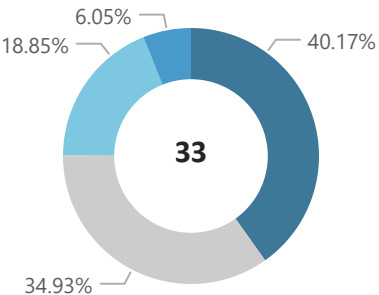

% of alerts investigated and responded to within 72 hours

% of sentinel sites submitting weekly surveillance reports

logistics

Non medical supplies Kits Medicines Equipment
