

The State of Kuwait Prize for the Control of Cancer, Cardiovascular Diseases and Diabetes in the Eastern Mediterranean Region is one of several Foundation awards, administered by the World Health Organization, to acknowledge the work of well-known scientists, researchers or dedicated people who have made an outstanding contribution in prevention, control or research in one or more of the following disease groups: cancer, cardiovascular disease and diabetes.

The prize consists of a bronze medal and a sum of money, which is presented at the WHO Regional Committee for the Eastern Mediterranean by the Committee's Chairman.

More information about the eligibility criteria and access to the online application form is available at: <http://kuwaitprize.emro.who.int/>.

Please note that deadline for online submission is 30 July 2022.
